Victoria, B. C., Sept. 22.-News was brought by the steamer Marma, which arrived yesterday from Australia, that San Francisco will be the Pacific terminus of the new steamship service subsidized by New Zealand to be begun October 22, with the steamers Aorangi and Maitai, there being intention, as reported, of continuing this line to Vancouver. It is proposed to arrange with the present Canadian-Australian line for a call at Auckland.

The new line will run from Welling ton to San Francisco, via Saratoga and Papeete and does not propose to compete with the Spreckels from Tahati to San Francisco, although the connecting line which trans-shipped cargo and transferred passengers a Tahati will be abandoned.

PRODUCER OF SUGAR

Washington, Sept. 22.—The recent cholera epidemic in Italy was trace-able to the debarkation at Brindisi of a band of Russian Gypsies. The origin of the infection is described by Surgeon H. D. Geddings at Naples, in Surgeon Geddings reports that the Gypsy wanderers, after proceeding to Trani, the primary focus of the epi-demic, washed their clothes in vessels which were later used as buckets. Many of the Gypsies became violently ill and the disease began to spread to districts surrounding Trani.
